Family Code

You can determine the total tuition price for your family by finding the row that has the number of children in your family for the school(s) they will be attending. For instance, you might have one child in elementary school, one in middle school, and one in high school. Your family code would be Q. Your tuition would be \$24,710 minus the family reduction for three students of \$1,900 for a total of \$22,810.

Payment Schedule

The tuition must be paid using one of the following payment plans.

Annual Plan*:

Pay the balance of the tuition by July 23, 2019.

Three Payment Plan*:

Pay the balance of tuition in three installments, July 23, 2019, October 23, 2019, and January 23, 2020.

April to January Monthly Plan*:

Pay tuition in ten installments beginning April 23, 2019 and ending January 23, 2020.

July to April Plan:

Pay tuition in ten installments beginning July 23, 2019 and ending April 23, 2020.**

Notes - The non-refundable deposit of \$200 per student is due within two weeks of acceptance. This is applied to Registration and Book Deposit once school begins, but it is not refundable if a student does not attend school. - Transportation charges, Book and Breakage Deposits, Activity Fees and Team Fees are in addition to prices on this sheet.

* Any payment plan that concludes by January 23, 2020 has been calculated with a \$200 discount. **Important:** We will charge the \$200 discount back on any account that does not have the tuition for the year paid in full by January 23, 2020.

We can prorate payments for fewer months as long as January is the last month, and any family who pays off the tuition by January 23, 2020 will earn the \$200 discount even if they started on the August to May Plan.

** We do not accept payment plans that extend beyond April.

LATE FEES: A \$25 late fee will be added to any payment not received within 15 days of the due date.
